Summary

MERN Stack Developer with hands-on experience in building full-stack web applications using MongoDB, Express.js, React.js, and Node.js. Skilled in developing secure, scalable, and responsive solutions with a strong focus on user experience and performance. Excited to work on impactful projects in agile, fast-paced environments.

Skills

Technical Skills : React.js, HTML5, CSS3, JavaScript , Node.js, Supabase, MongoDB
Soft Skills: Problem Solving, Team Collaboration, Time Management
Tools & Platforms: Git & GitHub, Postman, VS Code, Stripe, Clerk, Firebase (Basic), Netlify, Vercel

Projects

Food Store Web Application | *React.js, Node.js, Express.js, MongoDB, Stripe*
May 2025 – Present

- **Built a full-featured online food ordering platform** with a complete shopping cart, user authentication, order tracking, and admin control panel.
- Designed a responsive frontend using React.js with modular components and efficient state management using Context API.
- Developed RESTful APIs with Express.js for handling user actions, product listings, cart operations, and order history.
- Integrated Stripe payment gateway for smooth and secure online transactions.
- Created a real-time order dashboard for admins to view, update, and track incoming orders.
- Ensured mobile responsiveness and fast load times using React performance optimization techniques.

HireSpot – Real-Time Job Portal Platform | *React.js, Node.js, Supabase, Clerk API*
January 2025 – May 2025

- **Developed a scalable job portal with individual dashboards** for recruiters and candidates, enabling real-time job posting and applications.
- Implemented secure user authentication using Clerk API with multi-role access (admin, recruiter, candidate)
- Integrated Supabase as the backend service for managing job data, user profiles, and application statuses.
- Designed clean and responsive UIs using Tailwind CSS, focusing on user experience and accessibility.
- Ensured data integrity and user privacy through backend validation and database rule enforcement.
- Delivered the project using agile practices, version control, and thorough testing for reliabili

Education

Integrated M.Sc. (Information Technology)   **Graduated: 2026**
Silver Oak University, Ahmedabad   *CGPA: 9.35 / 10*
